Archway is a national model being replicated across the U.S. Archway is currently mentoring schools in Nevada, Maryland, California, NYC, Colorado, Ohio, Washington DC, and Oregon. 95% of Archway seniors attended college after graduation...these are the same students labeled as druggies, losers, delinquents, drop-outs, and lost causes. Archway didn't give up on them, rather we created a school just for them! We know ANYTHING IS POSSIBLE if we love and believe.
