Please bring donations of canned tuna, spaghetti and meatballs, beans, rice, canned soups, Ramen noodles, peanut butter, jelly, small boxes of cereal, canned fruit, or beef jerky to church on Sunday as part of our offering to God! Boxes will be located in the breezeway and at the church doors.

Days for Girls - Sewing Project

We will be working on a sewing project to help girls in third world countries stay in school. Every year these girls miss up to two months of school and opportunity due to a lack of feminine hygiene products and the shame associated with it. We will be making reusable feminine hygiene kits for them; each kit consists of two shields, eight liners, a bar of soap, a wash cloth, and two pairs of underwear. We need both sewers and non-sewers. If you would like to donate a small amount to help offset the cost of the project, please contact the team leaders.
