Undie Sunday!

It's that time of year again – Undie Sunday! The Emergency Aid Coalition, just down the street on Fannin, provides food and clothing to the homeless and working poor. Most of their clothes are gently used donations, but undergarments and socks must be brand new. Men's pants and shorts, especially waist size 30-36 are also needed. Bring pants or a package of adults' socks or underwear to the 10:00 service on Sunday as part of our offering to God! Boxes for donations will be located in the breezeway and the narthex.

Star of Hope - Towels

Palmer Church has received a special request from the Star of Hope: bottled water and towels! More than 1,000 homeless men, women, and children take showers at Star of Hope facilities every day, so towels are badly needed. Many clients arrive with little more than the clothes on their backs and are provided with towels, which they may keep. New bath towels, hand towels, and washcloths are appreciated. However, "gently-used" towels are accepted. Please leave towels in the big basket with the "Star of Hope" sign in the reception area, narthex, or breezeway.
